

Qkr Forum – Getting Started Guide

February 2017 – Page 1

Joining the Forum

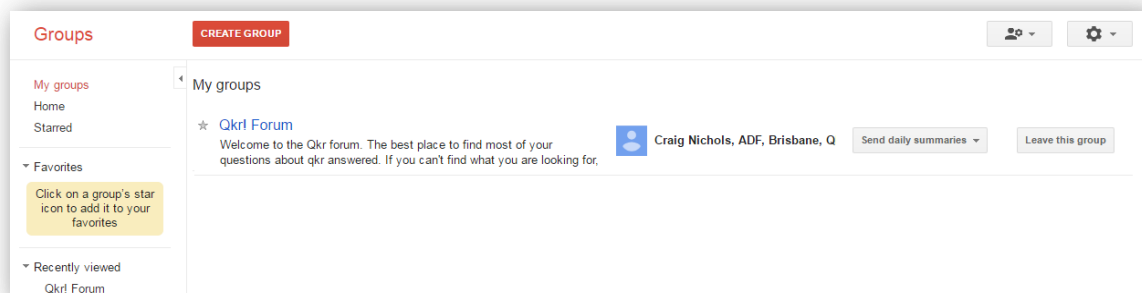

When you first visit the Qkr! Forum at <https://groups.google.com/forum/#!forum/qkrforum> you will need to "Apply for membership".

To register for the forum, users will require a Google Account. Those who do not have one already can create one by clicking "Create account" on the Sign In page. Please note that users at schools who have "Google Apps for Education" may be restricted from using a school email address when registering. In this case I suggest using a personal email address instead. BCE school email addresses ending in bne.catholic.edu.au cannot currently be used for this reason.

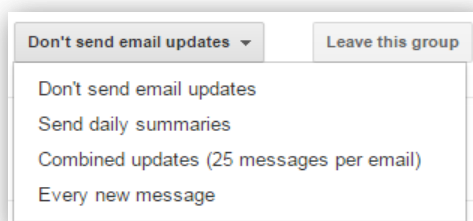

Manage Your Membership

At the "My groups" navigation level, after registering for the Qkr! Forum, you can select from a number of mail subscription options or leave the group, for example if you would like to join using a different email address instead.

Mail Subscription Options

To minimise overall email volume, daily summaries are a great way to keep up to date with posts on the forum without overloading your inbox.

Forum Topics

This is the main screen of the forum. Unread posts appear in bold with a white background to stand out from posts you have already seen.

The dropdown icon on the right has an option to choose between this Standard view, and a Compact view.

Welcome to the Qkr forum. The first place for P&F, P&C and school staff to go to find answers or post questions related to Qkr functionality. Your questions will be answered by other Qkr users. If no member of the Qkr school community answers your question then it will be answered by a Qkr staff member, usually within 6 business hours. Please use the search function to see if your question has already been answered before posting a new question.
